

GO JETTERS HOODIE

**Want to be part of the Go Jetter Academy?
You can with your very own Go Jetters Hoodie**

Essentially just two simple steps to make a cute Go Jetters hoodie for your little adventurer

- cut felt to the template shapes provided
- glue the shapes to the hoodie

Gather your supplies.

You will need:

- paper
- fabric glue (or needle & thread for sewing)
- scissors
- velcro
- pen
- felt (white, orange & blue)
- a red hoodie

Begin by printing out the template provided. Using a scissors, carefully cut out all the shapes.

Place the cut out template on to the felt trace around the edge with a pen and carefully cut out.

Repeat the last step for a small orange star, a large white star and a blue circle.

Ubercorn Funky Fact: Very hot stars look white or blue.
Cooler stars look red or orange.

Step By Step - we'll show you how

5

Place the two white pieces of felt on either side of the zip, as shown, and glue (or sew) in place.

6

Glue (or sew) the star layers together, blue circle base, then the white star, finished with the orange star. Glue (or sew) half the blue circle on one side of the zip.

7

Place velcro on the back of the other half of the circle, as shown.
